Industrial, commercial and garage doors and gates – Resistance to water penetration – Classification

The European Standard EN 12425:2000 has the status of a Swedish Standard. This document contains the official English version of EN 12425:2000.

Swedish Standards corresponding to documents referred to in this Standard are listed in "Catalogue of Swedish Standards", issued by SIS. The Catalogue lists, with reference number and year of Swedish approval, International and European Standards approved as Swedish Standards as well as other Swedish Standards.

Portar – Motstånd mot vatteninträängning –Klassificering

Europastandarden EN 12425:2000 gäller som svensk standard. Detta dokument innehåller den officiella engelska versionen av EN 12425:2000.

Motsvarigheten och aktualiteten i svensk standard till de publikationer som omnämns i denna standard framgår av "Katalog över svensk standard", som ges ut av SIS. I katalogen redovisas internationella och europeiska standarder som fastställts som svenska standarder och övriga gällande svenska standarder.

English version

Industrial, commercial and garage doors and gates - Resistance to water penetration - Classification

Portes équipant les locaux industriels, commerciaux et les garages - Résistance à la pénétration de l'eau - Classification

Tore - Widerstand gegen eindringendes Wasser - Klassifizierung

This European Standard was approved by CEN on 19 July 2000.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
