English version

Office furniture - Visitors chairs

Mobilier de bureau - Sièges visiteurs

Büromöbel - Besucherstühle

This European Standard was approved by CEN on 28 July 2002.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This document (EN 13761:2002) has been prepared by Technical Committee CEN/TC 207 "Furniture", the secretariat of which is held by IBN.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by March 2003, and conflicting national standards shall be withdrawn at the latest by March 2003.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.

EN 13761:2002 (E)

Introduction

The dimensions in this standard are based on practical experience of manufacturers and users. Neither the range of adjustment nor the fixed dimensions will accommodate all the variation of anthropometric dimensions of the user population. Considering the field of application and the use of visitors chairs, the dimensions listed hereafter are compromises between different requirements.

1 Scope

This European Standard specifies dimensions and safety requirements for visitors chairs.

The dimensional requirements are not applicable to easy chairs.

2 Normative references

This European Standard incorporates by dated or undated reference, provisions from other publications. These normative references are cited at the appropriate places in the text, and the publications are listed hereafter. For dated references, subsequent amendments to or revisions of any of these publications apply to this European Standard only when incorporated in it by amendment or revision. For undated references the latest edition of the publication referred to applies (including amendments).

EN 1022:1996, *Domestic furniture - Seating - Determination of stability*.

EN 1335-1:2000, *Office furniture - Office work chair - Part 1: Dimensions - Determination of dimensions*.

EN 1335-3:2000, *Office furniture – Office work chair — Part 3: Safety test methods*.

EN 1728:2000, *Domestic furniture - Seating - Test methods for the determination of strength and durability*.

3 Terms and definitions

For the purposes of this European Standard, the following terms and definitions apply.

3.1

visitors chair

seating for one person used in the office environment additional to the office work chair. It is used for meetings or consultations as well as for reading, writing, listening and waiting

4 Dimensions

4.1 Dimensional requirements

4.1.1 Seat height [a]

Fixed seat height: between 400 mm and 500 mm.

Adjustable seat height: minimum range from 420 mm to 480 mm.
